

VIRGINIA:

BEFORE THE VIRGINIA GAS AND OIL BOARD

**IN RE: SUPPLEMENTAL ORDER REGARDING DOCKET NUMBER
VGOB 24-0416-4281-02**

**ELECTIONS: Keyrock DM 26 Slope Drain Vent Pipe Modification of sealed gob drilling unit
and Re-Pooling (herein "Subject Drilling Unit")**

REPORT OF BOARD

FINDINGS AND ORDER

This Supplemental Order is entered by the Board *sua sponte* in the form authorized by the Board at hearings held on February 15, 1994 and June 16, 1992; and this Supplemental Order is being recorded for the purpose of supplementing the Order previously entered in the captioned matter on October 23, 2025, which was recorded on November 10, 2025, in Deed Book 627, Page 514, of the Circuit Court Clerk's Office for Dickenson County, Virginia (herein "Board Order"), and completing the record regarding elections.

Findings: The Board finds that:

The Board Order directed Keyrock Energy, LLC (herein "Designated Operator") to mail copies of the Board Order to all Respondents whose interests, if any, were pooled by the said Board Order. Please note all pooling in this unit is voluntary pursuant to Virginia Code Section 45.2-1617.

The Designated Operator filed its affidavit disclosing that it had mailed a true and correct copy of the Board's Order to all Respondents whose interests, if any, were pooled by said Board Order;

The Board Order required each Respondent whose interests, if any, were pooled by the terms of said Board Order to make an election within thirty (30) days after the date of mailing or recording, as applicable, of said Order; the affidavit of elections filed herein and annexed hereto as Exhibit A states: (i) whether each Respondent has made or failed to make a timely election; (ii) the nature of any election(s) made; and (iii) whether, by reason of a failure to elect or to timely elect one or more Respondents are deemed, under the terms of the Board's Order, to have leased all their rights, title, interests, estates and claims in Subject Drilling Unit to the Applicant;

That the affidavit annexed hereto with the Exhibits submitted therewith identifies the Respondent(s) making a timely election, if any; identifies the Respondent(s), if any, who are deemed to have leased; identifies the conflicting interests and claims which require escrow, if any; identifies the interests and claims, if any, requiring escrow under Virginia Code Section 45.2-1620; and identifies the Respondents, if any, who may be dismissed by reason of having leased or entered into a voluntary agreement with the Applicant.

The affidavit of elections indicates whether or not the escrow of funds is required with regard to Keyrock DM 26 Slope Drain Vent Pipe Modification of sealed gob drilling unit and Re-Pooling.

Order: By this Order, the Board finds the Designated Operator is not required to place any funds in escrow.

Mailing of Order and Filing of Affidavit: The Designated Operator under the captioned Order shall file an affidavit with the Secretary of the Board within ten (10) days after the date of receipt of this Order stating that a true and correct copy of this Order was mailed to each Respondent.

Conclusion: Therefore, the findings and all terms and provisions set forth above be and hereby are granted and **IT IS SO ORDERED.**

Effective Date: This Order shall be effective on the date of its execution.

DONE AND EXECUTED this 4 day of February, 2026 by a majority of the Virginia Gas and Oil Board.
