Relief Sought:	Applicant requests the Virginia Gas and Oil Board to enter an Order Transferring the right to operate Units listed in the application that were established by Board Order from Summit Appalachia Operating Company, LLC)) Docket No.) VGOB 25-0819-4319))

ORDER

Hearing Date and Place: This matter came before the Virginia Gas and Oil Board (“Board”) on August 19, 2025 and November 18, 2025, at the Virginia Energy office in Big Stone Gap, Virginia, upon Diversified Production LLC’s (“Diversified”) Petition for a Change of Unit Operator and Transfer of Rights to Operate Units (“Petition”).

Appearances: Benjamin A. Street, Esq. and Charity A. Barger, Esq. of the Street Law Firm, LLP appeared for the Applicant Diversified; Mark Swartz, Esq. of the firm Hillard & Swartz, LLP appeared for Pocahontas Gas LLC; and Jessica Cooper, Esq., Assistant Attorney General, was present to advise the Board.

Relief Requested: In the Petition, Diversified petitioned the Board for an order transferring from Summit Appalachia Operating Company, LLC (“Summit”) to Diversified the right to operate all the well/drilling units described and provided in Exhibit G of its Petition (“Units”), which were established by corresponding Board Orders.

Initial Relief Granted: At the duly noticed and scheduled hearing of the Board on August 19, 2025, the Board received uncontroverted evidence that Summit had transferred all ownership, exploration, production, and marketing rights related to the Units to Diversified and that the Board had previously transferred all Well Permits for wells in the Units to Diversified. A motion was made, seconded, and passed by unanimous vote of the Board, pursuant to its authority under the Virginia Gas and Oil Act of 1990, § 45.2-1600 *et seq.*, and 4VAC25-160-120(A)(1), to transfer to Diversified the right to operate the Units as unit operator, for Diversified to provide additional notice pursuant to 4 VAC 25-160-40(F), and to set the

foregoing notice for review at the noticed and scheduled hearing of the Board on November 18, 2025. The Board did not enter an order memorializing its decision and formal action following the August 19, 2025, hearing.

At the duly noticed and scheduled hearing of the Board on November 18, 2025, a motion was made, seconded, and passed by unanimous vote to approve Diversified's Petition upon receipt of an Affidavit of Due Diligence regarding additional notice under 4 VAC 25-160-40(F).

On January 13, 2026, the Board received letter correspondence and an Affidavit of Due Diligence from Diversified, by counsel, detailing Diversified's additional notice.

Additional Relief Granted: The Board, pursuant to its authority under the Virginia Gas and Oil Act of 1990, § 45.2-1600 *et seq.*, and 4VAC25-160-120(A)(1), hereby GRANTS the Petition.

The Board FINDS that Diversified has exercised due diligence to provide sufficient statutory and regulatory notice.

The Board ORDERS that Diversified is the designated operator for the Units; and it further ORDERS that Summit is no longer the designated operator for the Units.

Effective Date: This Order shall be effective as of August 19, 2025.

DONE AND EXECUTED this 27 day of January, 2026 by a majority of the Virginia Gas and Oil Board.

Chairman, Gus W. Janson
