

ENERGY PROGRAMS

VIRGINIA ENERGY CONNECT

Connecting Virginia's energy consumers and contractors with resources on energy efficiency, distributed solar, energy storage, and EV charging programs and incentives

OUR PLATFORM

Our user-friendly website includes detailed information on energy programs, rebates, incentives, and tax credits along with interactive tools to help consumers determine their eligibility for specific programs.

OUR PARTNERSHIPS

Our Energy Ambassador training program connects communities to agencies, utilities, contractors, community-based organizations, and local governments to ensure the information makes it into the hands of target audiences.

OUR AUDIENCES

We serve homeowners, renters, multifamily building owners, businesses, and residential contractors.

COMMUNITY BENEFITS
