

PUR-2024-00152

Ex Parte: In the matter concerning performance-based regulation and alternative regulatory tools for investor-owned electric utilities

SCC Staff

April 22, 2025

The Commission's Docket & Order

- On September 24, 2024, the Commission issued an Order Established Proceeding in Case No. PUR-2024-00152
- Purpose of the Commission's Order:

“NOW THE COMMISSION, upon consideration of the foregoing, is of the opinion and finds that (i) this proceeding should be established in connection with conducting the Study, and (ii) procedures should be established for the purpose of coordinating the work of the Commission and the Department in carrying out their respective responsibilities under the Joint Resolutions.”

- Established 2 activities:
 - The Department was requested to file a stakeholder summary, and report of findings & recommendations in the docket (Due May 9, 2025, *as extended by the Commission's Order Modifying Procedural Schedule on December 17, 2024*)
 - Interested persons will be provided an opportunity to comment on the Department's summary, or other matters related to the Commission's study (date to be established by subsequent Commission Order)

Next Steps for the Commission's Study

- The Commission will receive and post the Department's summary of the stakeholder process and its report of findings & recommendations in the case docket (May 9, 2025)
- The Commission will provide interested persons an opportunity to file comments in the docket regarding the Department's summary, or other matters related to the Commission's study (Date to be established by subsequent Order)
- The Commission's staff will conduct its study of performance-based regulation, which will be informed by this Department-led stakeholder process and any additional comments filed by interested persons in the case docket (Spring / Summer 2025)
- The Commission will submit its executive summary and report of findings & recommendations to the Governor and General Assembly (October 15, 2025)
- The Commission and the Department will present the Commission's study findings & recommendations to the General Assembly (November 15, 2025)
